Action Plan 2015-2016

DIVISION OF ACADEMIC AFFAIRS

COLLEGE AND LIFE PLANNING (CLP)

Action Plan:

College and Life Planning defined:

- Freshman level course/college to career
- Three credits
- Transferrable as an elective component
- Stakeholders are the students, college and community

Rationale and Purpose:

College and Life Planning course can be a part of a retention initiative and with a goal to assist new/ all students with a successful transition to ASCC while enhancing the first year experience.

Action Step (What needs to be done?)

1. To include College and Life Planning in the cluster of General Education required courses for Life Long Learning domain.
2. To include CLP 150 in the pool of General Education course offerings for CAPP (It can assist students with transitioning to a college environment)
