SUBJECT ADDENDNUM TO ADD PH 160 INTRODUCTION TO PUBLIC HEALTH IN THE ASCC CATALOG 2016-2018

1. The new course will provide a transferrable Program Requirement Option course for the Associate of Science Degree in Health Sciences. (Refer to the attachment)
2. It will replace PH 103, Introduction to Information Systems for Health Managers, beginning 2018 for the Certificate of Proficiency in Public Health. (Refer to the attachment)

CATALOG COURSE DESCRIPTION:

This is a public health inquiry course which centers on health promotion and disease prevention. Emphasis is placed on personal, community, and population health, and its interdisciplinary connections to other health care fields. Biomedical research ethics, critical thinking and analysis of public health problems that may affect the health and well-being of the individual and community will be introduced and discussed.

American Samoa Community College

Certificate of Proficiency In Public Health

Certificate of Proficiency in Public Health (COPPH)

This certificate provides a starting point for all students interested in public health training, as well as providing adequate academic bases to many of those who entered public health practice without formal training. Professionals/practitioners of other disciplines can use this COP to upgrade knowledge and skills toward a career in Public Health.

- Reference to College of Micronesia Certificate of Achievement in Basic Public Health

Entry Criteria: High school graduation or completion of GED requirements

All candidates to sit for ASCC Placement Test (Math and English)

Total credits required = 30-32

Program Learning Outcomes:

1. Demonstrate the basic knowledge and skills required for public health career.
2. Analyze medical terminology, theory, ethics, laws, and concepts to the practice in the field of public health career.
3. Assess personal, family, and community wellness and improve in healthy living lifestyle.
4. Demonstrates knowledge and skills through field work from a public health agency.
5. Demonstrate life-saving skills in American Heart Association or American Red Cross certified CPR.
