

fASCC Admissions Office Frequently Asked Questions

The Admissions Office is dedicated to continue to help our community with ASCC admissions inquiries and services. The recent spread of Covid-19 in the community has made it difficult for us to physically provide the required services, and will continue to accommodate everyone as best as we can. We thank you for your patience and understanding during this difficult time.

FAQ's

Who can help me over the phone or email?

We are unable to take phone calls at this time and the best form of communication is to email the ASCC Admissions Office at admissions@amsamo.edu.

Is there still a 2022 Spring CAPP 2nd Session?

Yes. If you have already registered for courses offered in the 2022 Spring CAPP 2nd Session, you will be able to continue as planned via Moodle. Check your email and our Moodle Home page frequently for instructions on your courses.

I am a new (or returning) student, am I able to register for the 2022 Spring CAPP 2nd Session?

No. At this time, all new student applications will be placed on hold until further notice. Any returning student that did not register in the beginning of the 2022 Spring Semester, will not be able to do so at this time.

The next placement test is scheduled for the 2022 Summer Semester on May 25 & 26, 2022. Will this be continued as planned?

It is not certain at this time if the placement test will take place as scheduled. However, please prepare to use your SAT or ACT scores for placement if you have in case of future lockdown. We are looking into alternative testing options and will continue to update our placement testing schedule.

Can I still apply to ASCC?

Yes, you can download the admissions application form using this link: <http://amsamo.edu/files/admissionapp.pdf>. Fully complete the application and send it to admissions@amsamo.edu and wait for further instruction by our team.

Can I still send my transcript to ASCC?

Yes, an official transcript is required, e-transcripts or electronic transcripts are accepted. Ask your institution(s) to forward your transcript(s) to admissions@amsamo.edu. If this option is not available, you can have them send your transcript directly to ASCC using this mailing address:
