Institution-Set Standards (ISS) Updates

ASCC Spring 2021 Faculty Orientation

January 11, 2021

ASCC MISSION

The Mission of the American Samoa Community College is to foster successful student learning by providing high quality educational programs and services that will enable students to achieve their educational goals and to contribute to the social, cultural, political, economic, technological, and environmental well-being of American Samoa.

To fulfill this mission, the College, as an open admissions, United States accredited, Land Grant institution, provides access to bachelor and associate degrees and certificate programs of study. These programs prepare all students including those who are educationally underserved, challenged, or non-traditional for:

- Successful entry into the workforce
- **Transfer to institutions of higher learning**
- Awareness of the Samoan Culture and the Pacific
- Research and extension in human and natural resources

2020 Review Outcomes:

- Provide internal stakeholders the opportunity to engage in the dialogue for the third review of the College's ISS.
- Emphasize the link of ISS to the Mission of the College.
- Review the relationship of ISS to academic programs/departments and student support services.
- Discuss the appropriateness of the College's ISS and its impact on academic programs/departments and student support services.
- Review of ISS and Stretch Goals
- **Approval of ISS and proposed stretch goals**
