

Important Notes for ASCC Summer Instructions

1. For all TED courses, young children are not allowed on campus or in classrooms.
2. PFM will continue with arrangement of classrooms in compliance with social distancing measures as mandated.
3. Summer courses will officially begin on June 15th, 2020.
4. All students are required to wear their student IDs on campus
5. All students will enter and exit in designated areas pertaining to their classroom location
6. Gatherings after face-to-face classes are strongly prohibited. Students are encouraged to leave campus immediately after classes.
7. All students who are ill need to communicate with instructors to continue work online to limit the spread of infections
8. All students and instructors are encouraged to wear masks within classrooms and use sanitizers regularly.
9. All instructors are advised to train their students on how to use MOODLE.
10. Seek assistance and support from Dean of DOAA and Dean of DOSS if there are inquiries regarding instructions.

Division of Academic Affairs wishes to propose this tentative schedule for all course offerings for Summer Semester 2020:

1.  A total of 8 academic programs are offering courses **without** lab components. The first 4 programs (ACNR/AGR, Arts/Humanities, Business, CLP) will hold instructions online via MOODLE interchangeably on Mondays and Wednesdays, and meet at ASCC on Tuesdays and Thursdays. The last 4 programs (Health/HS, Social Science/History, Lang & Lit, Mathematics) will meet on campus on Mondays and Wednesdays, and meet via MOODLE on Tuesdays and Thursdays.
2.  All Nursing Courses are to meet on campus on Mondays and Tuesdays. The Nursing Department will utilize Wednesdays and Thursdays for clinical and hands-on requirements at LBJ.
3.  CAPP Courses (English and Math) will meet on campus every Monday, Wednesday and Thursday, and use MOODLE on Tuesdays.
4.  Four main academic programs hold a lab component that is required. These courses will meet on campus from Monday to Thursday.
5.  All TED courses will do 50% of classroom interactions, and 50% MOODLE. This schedule will be at the discretion of the program director and department, based on students' schedules and adjuncts from DOE. Director De La Rosa had already submitted their schedule to prepare for this summer's TED session.
6. Lastly, all course offerings will meet on MOODLE every FRIDAY.
