impactful practices changing lives inside and outside the classroom.

This month we are pleased to feature **Shasta College**! Please take a look at the excerpt below, and check out www.accjconthemove.org for the full featured article.

[Shasta College](#)

Shasta College is a California public community college serving roughly 8,000 students in four locations covering an area larger than the state of Massachusetts!

On my visit to the main campus in Redding, California, I was struck by the beauty of the campus and its agriculture, engineering, and forestry programs that are teaching and developing students who will go on to serve industries that impact all Californian's daily lives. I hope you will appreciate reading more about the college's logging, forestry, and natural resources programs and enjoy some of the stunning images of their fieldwork.
