Device Registration Form - STUDENTS

Students are provided with the option to connect through the Student Wireless services with their personal laptops or tablet, upon approval and registration of Device Equipment with the MIS Office. This registration form serves as documentation of this approval process. If you have any questions please feel free to call MIS at Ext. 1001 or email us at support@amsamoa.edu.

In order to use the ASCC Student Wireless services, a student MUST:

- present a Valid ASCC Student ID
- have valid ASCC login and student email
- provide laptop or tablet to be registered that has Antivirus software installed, with current definitions.

If approved, device registration will expire and require renewal either at the end of the current semester, if student withdraws from ASCC, or at the end of the subscription period for the Laptop or Tablet the Antivirus software, whichever of these events comes first. Note: Student can only register one device every semester.

Below is the necessary information MIS will need to register student laptop or tablet.

This sheet will be kept in MIS office for documentation purposes.
