#### Cost of Living Adjustment (COLA)

Friday, October 15<sup>th</sup> was the day when all employees cheerfully received their Cost of Living Adjustment under the ARRA Funding. It was a day where you would walk into any bank branch and every second or third person in line was an employee of ASCC.

C.O.L.A. is intended to stimulate the economy by putting into the hands of the consumer. This payment has been made possible, along with all other improvement projects for ASCC, under ARRA.

Thank you ARRA.
